TREE POWER INCENTIVE PROGRAM

Planting trees can save money and energy in heating and cooling. Shade trees on the south and west sides of your home make hot summers cooler and let in warming sunlight when the leaves are gone in winter. Trees are also a natural air filter, removing dust and greenhouse gases such as carbon dioxide, while adding oxygen.

Kaukauna Utilities offers cash incentives for planting shade trees to conserve energy. You may be eligible for up to \$50 per qualifying tree if you follow our eligibility guidelines.

How to Apply:

1. To qualify for an incentive, the applicant must meet all of the eligibility conditions and complete the incentive application on the reverse side
2. Attach the original sales receipt for the shade tree purchase. The receipt or paid invoice must indicate the date of purchase, dealer name and address, and a description of the tree type or species.
3. Drop off your completed application at our office or mail it to Kaukauna Utilities, 777 Island St Kaukauna WI 54130-7077.

Eligibility:

- The Tree Power Incentive Program is available to residential customers with a valid Kaukauna Utilities electric account.
