RECYCLING EVENT

THANK YOU for helping us keep electronics out of the landfills. At the 2022 Electronics Recycling Event, we collected 34,414 total pounds of recyclable materials in just three hours!

*Save the date for our next event –
Saturday, April 22nd, 2023.

More details to come.

INCENTIVE PROGRAMS

KU has developed incentive programs and services specifically with you – the residential customer – in mind. Whether you own or rent, we have something that will help you save energy, as well as money. We offer multiple incentives - *electric, water, renewable energy, power by battery*, and more with Focus on Energy!

DID YOU KNOW?

According to the Environmental Protection Agency (EPA), by replacing a showerhead with a WaterSense labeled model, the average family can save more than 2,700 gallons of water each year. A WaterSense labeled showerhead can also save the amount of electricity it takes to power the average family's home for 11 days and reduce their annual water and energy costs by more than \$75!

Stop into our office today for your FREE water saving showerhead!
