

# WATER CONSERVATION

Turn off the water while you brush your teeth.

Watering when it's hot and sunny is wasteful.

Showers use less water than baths.

Run the washer with full loads only.

**How do you use water wisely?**

## DRINKING WATER WEEK - COLORING CONTEST

Taking place May 7th-13th, Drinking Water Week is a celebration recognizing the vital role water plays in everyday life. This year, we encourage customers to recognize and honor the critical work that our KU water professionals accomplish around the clock to deliver quality tap water.

Water conservation means using our limited water supply wisely and caring for it properly.

**TELL US HOW YOU CONSERVE WATER ON YOUR COLORING CONTEST ENTRY!**
