

KAUKAUNA UTILITIES

Connect

— Business Edition —

QUARTERLY BUSINESS NEWSLETTER

Welcome to the **Kaukauna Utilities Connect** - our quarterly newsletter to keep business customers up-to-date on all things KU - programs, services, incentives, and more. If you have any suggestions for content you'd like to see presented, please feel free to reply to this email to give us your feedback.

SHARED SAVINGS

Loan Program

See How a Local Business Saved with Shared Savings

If you can afford \$0, then your business can afford energy efficiency.

The KU Shared Savings Loan Program gives businesses the capital needed to make qualifying energy-efficient improvements – up to \$50,000 worth, with little to no upfront cost. Repayments are made in regular installments on your company's monthly utility bill. And because your repayment plan is based entirely on the money those energy-efficient improvements will save, your utility bill should stay almost the same.

See how Clever K9s in Kaukauna saved energy and money with the Shared Savings Program.

Manage Your Utility Account with MyAccount

As a small business owner, you have enough on your plate; managing your utility account shouldn't add to it. With MyAccount, our secure customer portal, you can track energy and water usage, set customized alerts, review past bills and payment history, enroll in automatic payments, and more - all in one convenient place. It's an easy way to stay on top of costs, spot unusual usage (like potential leaks), and make informed decisions that support your bottom line.

Log in today and take control of your account - on your schedule.

Planning for a Reliable and Sustainable Future

Kaukauna Utilities has adopted a new 5-Year Strategic Intent focused on long-term infrastructure strength, operational excellence, and sustainable growth.

Grounded in our mission to provide affordable, reliable power and high-quality water, this strategic direction builds on recent progress in system modernization, reliability improvements, sustainability efforts, and proactive planning.

Our work is guided by a strong set of core values, with a particular emphasis on customer focus and continuous improvement. We are committed to going the extra mile to provide responsive, local service while continually innovating and investing responsibly to deliver lasting value for the businesses and industries we serve.

As we look ahead, our priority remains clear: delivering dependable utility services, planning strategically for future demand, and serving as a trusted partner for the communities and businesses we serve.

Focus on Energy Incentives Increased for 2026

Need to make some energy efficient improvements to your business but just can't find the time or money?

Focus on Energy incentive rates have increased substantially in 2026. Please see their [2026 Summary of Business Services and Rebates](#) for details.

As a reminder, your business already contributes to Focus on Energy through your utility bill. Let's work together to put available resources to work for you.

KU can help you....

- Identify and quantify energy saving opportunities
- Apply for Focus on Energy custom and prescriptive incentives
- See if a KU Shared Savings loan can help fund your project

Contact Frank Barth at 920-462-0251 or fbarth@wppienergy.org to learn more.

Business Support Request Form

Not sure where to start in your business's efficiency journey? Complete this [Focus on Energy request form](#) with basic information about your business needs. A program representative will follow up within two business days with the information you are looking for. This can include providing program applications and literature or completing a virtual or in-person energy walkthrough.

In addition, you can contact Frank Barth, Kaukauna Utilities Energy Services Manager, for information about KU and Focus on Energy business programs.

KEEPING YOU INFORMED

Our dedicated Energy Services Manager is available to assist you and your business.
