QUARTERLY BUSINESS NEWSLETTER

Welcome to the **Kaukauna Utilities Connect** - our quarterly newsletter to keep business customers up-to-date on all things KU - programs, services, incentives, and more. If you have any suggestions for content you'd like to see presented, please feel free to reply to this email to give us your feedback.

Business Appreciation BRAT FRY

Thursday, October 8th | 11am - 1pm

To show our appreciation for local businesses,
Kaukauna Utilities is firing up the grill and treating you to lunch!

You're Invited - Business Appreciation Brat Fry is Back!

After a great turnout last year, we're excited to bring back our Business Appreciation Brat Fry as another opportunity to say thank you to the businesses we're proud to serve.

Join us on **Thursday, October 8th**, from 11:00am – 1:00pm for a complimentary lunch - *available by pre-order and scheduled pick-up only*.

Reserve meals for your team and enjoy a brat, chips, and a cookie - our way of showing our appreciation for the important role your business plays in the community. Meals are available while supplies last, so be sure to pre-order soon (up to 50 meals per business). [Visit our website for additional event details](#) and to place your order.

We loved celebrating our local businesses last year and can't wait to do it again.

Orders must be placed by Monday, September 28th.

Have an energy-efficiency project on your wish list?

Kaukauna Utilities' [Shared Savings Program](#) can help finance qualifying energy-efficiency improvements from \$2,500–\$50,000, making it easier to move projects from “someday” to done.

Shared Savings can help make lighting, HVAC, and other electric energy-saving upgrades more attainable, allowing your business to reduce energy use and operating costs without a major upfront investment.

Want to see how it works? Watch our video to see how a local business put Shared Savings to work, or [contact our Energy Services Manager](#) to discuss a project you have in mind.

Stay on top of your utility usage with MyAccount.

As seasons change, so can your business's energy and water use. With MyAccount, Kaukauna Utilities' customer portal, you can track your usage and set alerts to help you stay informed throughout the year.

Set a daily electric or water usage threshold, and you'll receive a notification when your usage exceeds the amount you selected - a helpful way to spot higher-than-expected usage before it shows up on your bill.

For convenient access on the go, download the MyAccount app by searching “Kaukauna Utilities” in your app store. You can view detailed usage, manage alerts, pay your bill, and more right from your phone.

100 Years of Hydropower

Rapide Croche Hydro recently marked a century of generating electricity along the Fox River. But it's just one part of Kaukauna Utilities' long history with hydropower.

Today, our seven hydroelectric plants produce about 30% of the electricity needed to serve our customers. That locally generated power is sustainable, reliable, and one of our lowest-cost energy resources - helping us provide affordable electricity to the communities we serve.

Watch our commemorative video to discover the history of Rapide Croche Hydro and the lasting role hydropower continues to play for Kaukauna Utilities and our customers.

KEEPING YOU INFORMED

Our dedicated Energy Services Manager is available to assist you and your business.
